COLLEGE PROFILE

1. PROFILE OF THE COLLEGE:

As the Sanskrit maxim "Bidyaya Bimuchyate" gets enunciated, the notion of knowledge liberating the mankind for its holistic welfare reverberates: the aphorism across the logo of Gauhati Commerce College, thus links itself with how the commerce education symbolized by the loaded freight-liner 'barge' signifies world economy in its macrocosmic appeal portraying the spirit of Gauhati Commerce College. The tree of knowledge along with its diversified leaves of various branches, as displayed in the emblem, is expected to combat the dark winds of ignorance and illusion, thereby ushering in a new horizon of material prosperity and spiritual well-being, ideologically liberating yet socially restrained, strategically progressive yet inherently sanguine.

Gauhati Commerce College situated on R.G. Barooah Road, Chandmari, Guwahati- 781021, is one of the pioneering institutions of the state of Assam as well as of India, imparting commerce education at Higher Secondary, Degree and Post Graduate levels. The foundation of the college was laid on 10th September in the year 1962. Starting with an enrollment of a meagre 300 students, the college has, over the years, attained an enrolment of about 3500 students and made commendable progress in all activities, both academics and co-curricular.

The college started imparting education in Post Graduate course in Commerce (M.Com.) with effect from the academic session 1992-93 with permission from and affiliation to the Gauhati University (GU), offering specialisation in (i) Accounting and Finance and (ii) Management and Marketing.

The college had introduced PGDCA course from the academic session 2005-06 and BBA Course from the academic session 2007-08, both under the GU. The college then initiated MBA course in the year 2009 under the GU as a separate wing and named it as "GCC Centre of Management Studies". The College had introduced BCA course under ASTU from the academic session 2024-25.

The performance of the students of the College at the Higher Secondary, Degree and post Graduate Examinations respectively under the Assam Higher Secondary Education Council (Presently Assam State School Education Board, Divi-II) and Gauhati University, has all along been remarkable. The students occupy the top positions each year and the pass percentage usually stands above 80 and occasionally even soars above 95. The college has been achieving brilliant results in the M.Com. Examinations since its inception, with a good number of its students securing top position each year. The pass percentage here stands usually above 90. The students have also brought laurels for the MBA department by securing the top positions in the examination.

The college has earned reputation in other spheres too: in the field of games, sports and other cultural and literary activities, the college has been occupying a place of pride, ever since the onset of this odyssey. In social service, the

college interacts with rural communities through various programmes of its well-organized National Service Scheme (NSS) Unit, NCC Coy (Army) and Bharat Scouts and Guides Unit. These units have been making commendable achievements in various courses and activities and have earned appreciation from various corners. The College Hostel has a reputation for its strict discipline and smooth management under the guidance and supervision of the Superintendent and the Students' Committee.

The College Library named after Late Dr. Birinchi Kumar Baruah, is rich in its collection of books, journals and also has sufficient number of textbooks and reference books. The Library, with its spacious Reading Room, is supervised and managed by a Librarian. The College Library is equipped with computer, internet facilities and e-journals etc., thereby offering educational resources not only to the students but also to the faculties.

The College has been found successful in adapting its education system into a hybrid form. It took no time in adopting the online method of imparting knowledge during the Pandemic and had successfully stood up to its motto – "Dissemination of information and knowledge as a Centre of excellence in higher education by imparting quality education and pursuing research studies".

2. VISION OF THE COLLEGE :

The vision of the College is to become one of India's leading centre of excellence imparting business education of the highest standard.

3. MISSION OF THE COLLEGE :

The fundamental responsibility of the College is to serve the people of the North-East by striving for the spread of business education and academic excellence. The college seeks to present itself as a major centre of learning for the advancement, preservation, dissemination and use of knowledge in this developing region of the country. It encourages enrollment of students from different cross-sections of the society by providing them with the best of infrastructure and learning resources, so as to make the teaching-learning process a pleasurable and profitable experience. Through these efforts the college tries to mould in its students a rounded personality of professional competence, self confidence and positive attitude that would help in the development and growth of Assam in particular, and the North-East region and the country in general.

4. GOALS AND OBJECTIVES OF THE COLLEGE:

Goals and Objectives of the college are:

- To spread commerce education in this region, i.e., the North East of India.
- To achieve academic excellence.
- To strive for better results.
- To offer the best infrastructure facilities to students, teachers, employees.
- To offer specialized courses in commerce.

- (vi) To plan full employment for its alumni through service and entrepreneurship.
- (vii) To mould students into ideal citizens with commendable human values.

5. MOTTO OF THE COLLEGE:

Dissemination of information and knowledge as a centre of excellence in higher education by imparting quality education and pursuing research studies.

6. SIGNIFICANCE OF THE COLLEGE EMBLEM:

Emblem designer : **Benu Mishra**

The bottom of the emblem displays a loaded freight-liner or a cargo-vessel the 'barge'. It signifies that industry, trade and commerce form the basic foundation of the world economy. The entire edifice of the economic world rests upon this foundation.

The tree with four leaves shown in the middle is the symbolic tree of knowledge. Its leaves and twigs symbolize the different departments of knowledge.

The globular design displayed at the top is the world. Significantly, it rests on the tree of knowledge.

The short Sanskrit maxim across the middle reads 'Bidyaya Bimuchyate' (Knowledge Liberates).

The source of all knowledge, active or latent, is the world, whether it is Commerce, Arts or Science - all knowledge liberates man from the bondage of ignorance and illusions. Armed with knowledge and learning man can wage war against the dark forces of ignorance, superstitions and social evils and thus help himself to climb up the rungs of the ladder of material prosperity and spiritual well-being.

7. OTHER FACILITIES AVAILABLE:

■ COLLEGE LIBRARY AND ITS READING ROOM:

The college library has been named after Late Dr. Birinchi Kumar Baruah in memory of a great litterateur of Assam and one of the founding fathers' of the institution. Students may borrow books from the library against their Library Cards and also avail the e-resources of the library. They may read various newspapers and journals in the Reading Room of the library. There is a book bank facility meant for the poor and needy students.

As the name suggests, the Department of Mathematics- Statistics is an amalgamated department of the subjects viz., Mathematics and Statistics. From its very inception, faculties of Mathematics and Statistics have worked under this amalgamated banner and have contributed significantly to imparting knowledge of mathematical sciences among the students, in particular, and in expansion of commerce education, in general. The department at present is running with 1 permanent faculty and 3 guest faculty members. The Department of Mathematics- Statistics teaches the Business Mathematics (BM) and Business Statistics (BST) as multi- disciplinary courses as core papers at UG level under Gauhati University under NEP Syllabus. Apart from these, the department is involved in teaching Business Mathematics & Statistics and Mathematics in Higher Secondary classes under Assam State School Education Board, Divi-II.

DEPARTMENT, FACULTY AND STAFF

DEPARTMENT OF MIL (HINDI AND BENGALI)

The department of MIL was established in the year 1962 with three subjects Assamese, Hindi and Bengali. The classes were then taken in the premises of Cotton College. After a few years, the department shifted to the main campus of Gauhati Commerce College. Post period of 1967, the departments of MIL and Assamese were divided into individual departments.

From 2019 in B.com semester system CBCS was started and in the CBCS system, MIL syllabus was revised and came to be known as BCM Hindi and BCM Bengali. In BCM Hindi and BCM Bengali syllabus the literature part was replaced by Business Communication. Since then these two subjects have been a part of the B.com degree course taught by the respective teachers of the department. The department engages in making the students proficient in Hindi and Bengali along with developing their communication skills. Constant Care is taken to brush up their writing skills as well. The department also takes up MIL papers for the Higher Secondary course.

DEPARTMENT, FACULTY AND STAFF

DEPARTMENT OF M.COM

During the post liberalization period with the demand for post graduate degree and limited seats available in the department of Commerce at Gauhati University, Gauhati Commerce College decided to go for vertical expansion by opening up the Department of M.Com by the then Principal, Dr. B.C Lahkar. The college started imparting education in Post Graduate course in Commerce (M.Com) with effect from the academic session 1992-93 with permission from and affiliation to the Gauhati University offering specialization in Accounting & Finance and Management & Marketing.

Over the years the department is running successfully with glorious academic results as well as non-academic activities and providing continuous quality education to the students' fraternity in the commerce stream and also to the society at large with the assistance of a small team of seven dedicated and efficient faculty members under the able guidance and leadership of the Principal of GCC and Co-Ordinator of the Department. The Department proudly celebrated its 25 glorious years (2016-17) of its existence with its students showing excellence in both academic and non-academic activities since its inception. The interested students who wish to pursue their career in teaching are motivated and guided by the teachers to prepare and qualify in NET and SLET examinations from M.Com 3rd semester onwards. The Department has digital classroom facility with a library and a seminar hall as well.

Major Achievement of our Students

***Sugandh- An initiative for greener future**

The WWF Echo team of GCC started their green business Sugandh under the WWF Echo project 2021-22. Under this initiative 100% organic incense sticks are produced from waste flowers collected from various temples and floral shops. It's a 100% eco-friendly product starting from the raw materials to the final packaging.

The team presented it's first product sample to their respected Principal, Dr. Homeswar Kalita on 27/07/2022.

The teacher convenor of the Gauhati Commerce College Echo team, Dr. Sweta Pegu guided the team of 4 members, namely, Donna Sarkar, Bhaswati Choudhury, Pritam Shandilya and Ayush Bhagawati in this endeavour of theirs.

Small steps lead to big transformations. Sugandh is a small step by the students of Gauhati Commerce College towards bigger Climate Action and Sustainability.

*Guwahati Diplomatic Summit organised the Model United Nations program to give the students of different colleges an opportunity to build their personality and grow their knowledge on international relations and various other issues. Gauhati Commerce College acted as the venue partner for the event and around 30 students participated in the programme. The three day programme was scheduled from the 15th of July 2022.

*Ms. Chandani Jain of M.Com 2nd Semester got selected for Khelo India University Games, 2022. Khelo India University Games (KIUG), is a national level multi-sport event held in India, where athletes from universities across the country compete in different sports disciplines. All the three players who got selected for Khelo India University Games, 2022 are members of Assam State Karate Association under Assam Olympic Association. Ms. Chandani makes us proud because this selection is for the first time ever in Assam's history of Karate.
